| The Property

Greywalls is a hidden gem, privately positioned in this special residential road, with a lovely private garden to the rear. The house has two good reception rooms with large windows providing a lovely light and airy interior. The kitchen has a small breakfast area with doors into the garden and a handy adjoining utility room. Upstairs are two large double bedrooms and a third single bedroom which has been used as a study. The main bedroom has a useful en suite washroom and there is a good first floor family bathroom.

Overall, the house is well configured for a young family, anyone downsizing or on their own, wanting a quality, more manageable town house with lock up and leave potential, but with gardening interests.

There is scope for enlargement either by extending from the rear or replacing the single storey side extension, but this would be subject to necessary planning and building regulations consents. The house is not Listed but is within the town Conservation Area.

| Location

Greywalls enjoys one of the most unique locations within Petersfield, The Avenue is a prime, tree-lined, residential road set between the town centre and The Heath. Houses are rarely for sale here as it is such a convenient part of town to enjoy. The house is within level walking distance of the town centre, many of the local schools and the station. The house is also within an easy stroll of The Heath and pond with its wonderful walks and abundance of bird life or the Petersfield Pay and Play Golf Club. Public tennis courts are available just around the corner.

Petersfield itself has a comprehensive range of facilities including Waitrose and a mainline station with train services to London Waterloo in just over an hour. The Petersfield area has an excellent range of schools including Bedales, Churcher's College, Ditcham Park and in the state sector TPS.

I Outside

The A3 provides good regional transport links to the M25 and beyond and the larger centres of Winchester, Guildford and Chichester are all within reasonable driving distance, as are the harbours and creeks of the South Coast. There are a number of good footpaths and bridleways in the surrounding area including the South Downs Way, Hangers Way and Sussex Border Path.

The tarmac and gravel drive has useful off road parking and also provides access to a single garage which is attached to a neighbour's garage. The house is well screened from The Avenue by a high evergreen yew hedge and there is access either side of the house to the garden which is mainly to the rear and a gardener's haven.

It is well established and mature with an area of central lawn, useful paved areas and several shrub and rose beds providing seasonal colour. A small summerhouse is well positioned within the garden and for such a central location it provides not just a lovely outlook from the house but a wonderful area of green space to enjoy. In all the garden is about 0.16 of an Acre (0.065 ha).
